

HappyFleet Bespoke Tours is a travel agency specializing in curated package tours and seamless transportation logistics for events/conferences. We provide comprehensive logistical support, ensuring a hassle-free experience for organizers and attendees, with tailored services for professionals attending high-profile medical events.

Our Services

1. Air Flight Bookings

We provide comprehensive flight booking services, securing the best travel options for attendees based on their schedules and preferences.

2. Hotel Accommodations

We partner with top-rated hotels near the conference venue, offering a range of accommodations that meet various budgetary and comfort needs.

3. Airport Pickup & Drop Services

We arrange reliable airport transfer services and coordinate timely pickups and drop-offs with professional drivers for a stress-free journey.

4. Shuttle Services During the Conference

We offer well-organized shuttle services to facilitate transportation between hotels, conference venues, and other key locations.
